

## **Public Spaces**

Well-proportioned public spaces are inviting to people, encourage healthy lifestyles, community gatherings, commerce and a sense of safety. The BRP envisioned an interconnected set of well-proportioned public open spaces connecting natural resource amenities and the emerging new urban spaces.

## **Centers**

Centers are typically located on major intersections or around public spaces and provide the best opportunity for a mix of uses or housing types. Commercial centers provide goods and services. Residential centers provide open space. Centers of all kinds provide destinations for people gathering.
